FORM B:**SBD 6.1****PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the 80/20 preference point system.
- b) 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **tender** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **price** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **rand value** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **tender for income-generating contracts** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **the Act** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).
- (f) “

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis:

80/20

$$P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$$

Where

- P_s = Points scored for price of tender under consideration
- P_t = Price of tender under consideration
- P_{min} = Price of lowest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of

state must, in the tender documents, stipulate in the case of—

(a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or

(b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
The tenderer must have a B-BBEE status contributor level 1	20	
The tenderer must have a B-BBEE status contributor level 2	15	
The tenderer must have a B-BBEE status contributor level 3	10	
The tenderer must have a B-BBEE status contributor level	5	

NB: To claim preferential procurement points for B-BBEE status level contributor of Level 1, 2, 3 or 4, the tenderer must submit a valid sworn affidavit (as issued by DTI/or CIPC), must be an original or certified copy or a certified copy of SANAS accredited verification certificate.

Failure to submit the B-BBEE certificate will result in preferential points not being awarded.

17. Subcontracts

- 17.1 The service provider shall notify the client in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original

Part C1.1: Form of Offer and Acceptance

bid or later, shall not relieve the service provider from any liability or obligation under the contract.

18. Delays in the service provider's performance

18.1 Performance of services shall be made by the service provider in accordance with the time schedule prescribed by the client in the contract.

18.2 If at any time during performance of the contract, the service provider or its subcontractor(s) should encounter conditions impeding timely performance of services, the service provider shall promptly notify the client in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the service provider's notice, the client shall evaluate the situation and may at his discretion extend the service provider's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

18.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

18.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the service provider's point of supply is not situated at or near the place where the supplies are required, or the service provider's services are not readily available.

18.5 Except as provided under GCC Clause 25, a delay by the service provider in the performance of its delivery obligations shall render the service provider liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

18.6 Upon any delay beyond the delivery period in the case of a supplies contract, the client shall, without cancelling the contract, be entitled to purchase service of a similar quality and up to the same quantity in substitution of the service not rendered in conformity with the contract and to return any service rendered later at the service provider's expense and risk, or to cancel the contract and buy such service as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the service provider.

19. Penalties

19.1 Subject to GCC Clause 25, if the service provider fail to perform services within the period(s) specified in the contract, the client shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The client may also consider termination of the contract pursuant to GCC Clause 23.

20. Termination for default

20.1 The client, without prejudice to any other remedy for breach of for default contract, by written notice of default sent to the service provider, may terminate this contract in whole or in part:

- (a) if the service provider fails to deliver service within the period(s) specified in the contract, or within any extension thereof granted by the client pursuant to GCC Clause 21.2;

Part C1.1: Form of Offer and Acceptance

- (b) if the service provider fails to perform any other obligation(s) under the contract;
or
- (c) if the service provider, in the judgment of the client, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

20.2 In the event the client terminates the contract in whole or in part, the client may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the service provider shall be liable to the client for any excess costs for such similar services. However, the service provider shall continue performance of the contract to the extent not terminated.

20.3 Where the client terminates the contract in whole or in part, the client may decide to impose a restriction penalty on the service provider by prohibiting the service provider from doing business with the public sector for a period not exceeding 10 years.

20.4 If a the client intends imposing a restriction on a the service provider or any person associated with the service provider, the service provider will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the service provider fail to respond within the stipulated fourteen (14) days the client may regard the intended penalty as not objected against and may impose it on the service provider.

20.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

20.6 If a restriction is imposed, the client must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the service provider and / or person restricted by the client; (ii) the date of commencement of the restriction; and
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of the service providers
or persons prohibited from doing business with the public sector.

20.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

Part C1.1: Form of Offer and Acceptance

21. Force Majeure

- 21.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the Majeure the service provider shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
- 21.2 If a force majeure situation arises, the service provider shall promptly notify the client in writing of such condition and the cause thereof. Unless otherwise directed by the client in writing, the service provider shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

22. Termination for insolvency

- 22.1 The client may at any time terminate the contract by giving written notice to the service provider if the service provider becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the service provider, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the client.

23. Settlement of Disputes

- 23.1 If any dispute or difference of any kind whatsoever arises between the client and the service provider in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 23.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the client or the service provider may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 23.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 23.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
- 23.5 Notwithstanding any reference to mediation and/or court proceedings herein,
- (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
 - (b) the client shall pay the service provider any monies due the service provider.

24. Limitation of liability

- 24.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;
- (a) the service provider shall not be liable to the client, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the service provider to pay penalties and/or damages to the client; and

Part C1.1: Form of Offer and Acceptance

- (b) the aggregate liability of the service provider to the client, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment

Engineer issues: Interim Payment Certificates, Final Payment Certificate and the Certificate Completion of the Works as defined in the Contract.

PERFORMANCE GUARANTEE

1. The Guarantor's liability shall be limited to the amount of the Guaranteed Sum.
2. The Guarantor's period of liability shall be from and including the date of issue of this Performance Guarantee and up to and including the Expiry Date or the date of issue by the Engineer of the Certificate of Completion of the Works or the date of payment in full of the Guaranteed Sum, whichever occurs first. The Engineer and/or the Employer shall advise the Guarantor in writing of the date on which the Certificate of Completion of the Works has been issued.
3. The Guarantor hereby acknowledges that:
 - 3.1 any reference in this Performance Guarantee to the Contract is made for the purpose of convenience and shall not be construed as any intention whatsoever to create an accessory obligation or any intention whatsoever to create a suretyship;
 - 3.2 its obligation under this Performance Guarantee is restricted to the payment of money.
4. Subject to the Guarantor's maximum liability referred to in 1, the Guarantor hereby undertakes to pay the Employer the sum certified upon receipt of the documents identified in 4.1 to 4.3:

- 4.1 A copy of a first written demand issued by the Employer to the Contractor stating that payment of a sum certified by the Engineer in an Interim or Final Payment Certificate has not been made in terms of the Contract and failing such payment within seven (7) calendar days, the Employer intends to call upon the Guarantor to make payment in terms of 4.2;
- 4.2 A first written demand issued by the Employer to the guarantor at the Guarantor's physical address with a copy to the Contractor stating that a period of seven (7) days has elapsed since the first written demand in terms of 4.1 and the sum certified has still not been paid;
- 4.3 A copy of the aforesaid payment certificate which entitles the Employer to receive payment in terms of the Contract of the sum certified in
5. Subject to the Guarantor's maximum liability referred to in 1, the Guarantor undertakes to pay to the Employer the Guaranteed Sum or the full outstanding balance upon receipt of a first written demand from the Employer to the Guarantor at the Guarantor's physical address calling up this Performance Guarantee, such demand stating that:
 - 5.1 the Contract has been terminated due to the Contractor's default and that this Performance Guarantee is called up in terms of 5; or
 - 5.2 a provisional or final sequestration or liquidation court order has been granted against the Contractor and that the Performance Guarantee is called up in terms of 5; and
 - 5.3 the aforesaid written demand is accompanied by a copy of the notice of termination and/or the provisional/final sequestration and/or the provisional liquidation court order.
6. It is recorded that the aggregate amount of payments required to be made by the Guarantor in terms of 4 and 5 shall not exceed the Guarantor's maximum liability in terms of 1.
7. Where the Guarantor has made payment in terms of 5, the Employer shall upon the date of issue of the Final Payment Certificate submit an expense account to the Guarantor showing how all monies received in terms of this Performance Guarantee have been expended and shall refund to the Guarantor any resulting surplus. All monies refunded to the Guarantor in terms of this Performance Guarantee shall bear interest at the prime overdraft rate of the Employer's bank compounded monthly and calculated from the date payment was made by the Guarantor to the Employer until the date of refund.
8. Payment by the Guarantor in terms of 4 or 5 shall be made within seven (7) calendar days upon receipt of the first written demand to the Guarantor.
9. Payment by the Guarantor in terms of 5 will only be made against the return of the original Performance Guarantee by the Employer.
10. The Employer shall have the absolute right to arrange his affairs with the Contractor in any manner which the Employer may deem fit and the Guarantor shall not have the right to claim his release from this Performance Guarantee on account of any conduct alleged to be prejudicial to the Guarantor.
11. The Guarantor chooses the physical address as stated above for the service of all notices for all purposes in connection herewith. 109121 (AUR 98/2015) CIDB/GCC 2010 Version May 2014 C1 . 14
12. This Performance Guarantee is neither negotiable nor transferable and shall expire in terms of 2, where after no claims will be considered by the Guarantor. The original of this Guarantee shall be returned to the Guarantor after it has expired.
13. This Performance Guarantee, with the required demand notices in terms of 4 or 5, shall be regarded as a liquid document for the purposes of obtaining a court order.

14. Where this Performance Guarantee is issued in the Republic of South Africa the Guarantor hereby consents in terms of Section 45 of the Magistrate's Courts Act No 32 of 1944, as amended, to the jurisdiction of the Magistrate's Court of any district having jurisdiction in terms of Section 28 of the said Act, notwithstanding that the amount of the claim may exceed the jurisdiction of the Magistrate's Court.

C1.4 AGREEMENT WITH REGARDS TO PERFORMANCE, HOURS OF WORK AND TERMINATION

C1.4 AGREEMENT WITH REGARDS TO PERFORMANCE, HOURS OF WORK AND TERMINATION**C1.4.1 PAYMENT**

In general, payment shall be made monthly in arrears to the Contractor provided that the requisite work has been carried out satisfactorily and the required inspection reports duly submitted to the satisfaction of the Client or his representative.

Upon receipt of the invoice, the Client's Representative must pay the Contractor within 30 days. This is subject to the invoicing being both correct and free from anomalies.

C1.4.1.1 Payment Claims

- a) The Contractor shall be responsible to prepare and submit at his cost, payment claims for all works with forms and procedures specified in this tender or other forms and procedures specified by the Engineer from time to time.
- b) Invoices must show the period, the lump sum for the maintenance work and the breakdown of all work for which the payment is being claimed for.
- c) All non-maintenance invoices must be presented on a per lift basis and a fully itemized list of the work being charged for will be incorporated into the invoice.
- d) If invoices are presented which do not fully comply with the format as detailed, they will be rejected. All invoices must portray the identity number of the lift involved and premises location.
- e) No payment must be made by the Client's Representative for any unauthorized service performed by the Contractor.

C1.4.1.2 Claim for Maintenance Service

For the routine comprehensive maintenance services, the Contractor is required to submit payment claim with one original of invoice and one copy of Claim Form for each submission. The Contractor is also required to submit a summary of Service Report with copies of Monthly Service Report and Quarterly Inspection Report with the Signature of the Client's Representative to support their invoices by the end of each month. Those previous submitted Service Reports or outstanding Service Reports within the month shall be clearly indicated in the summary of Service Report in details. The monthly invoice value will be one twelfth of the total annual value for all items under maintenance services. The payment will be calculated in pro-rata for the lift that has an incomplete monthly maintenance service due to the date of its inclusion in the Contract by the following formula.

Payment for incomplete Quarter: -

$$(Number\ of\ days\ under\ maintenance\ service) \times (Monthly\ maintenance\ rate) \times \frac{12}{365}$$

The Client reserves the right to withhold payment in part or in whole if the Contractor cannot submit evidence and proof to substantiate that the maintenance services was indeed satisfactorily executed and accomplished.

The Client may arrange other payment arrangements, such as to have all routine monthly payment for the jobs to be listed by means of a computer system and paid to the Contractor automatically. The Contractor shall check and verify the payment lists on receipt of them and shall inform the

Part C1.4: Agreement with regards to performance, hours of work and termination

Client of any error within 14 days so that adjustment of the payment can be made accordingly.

C1.4.1.3 Deduction of Maintenance Fee for Suspension of Service

For any repetitive breakdown or any lift or escalator which cannot be returned to normal services by the Contractor for a period exceeding two (2) calendar days, deduction in the monthly maintenance fee will be applied in accordance with the following details:-

Ref	Reason for not being returned to Normal Service	% Deduction of Quarterly Maintenance Fee
a.	Client's written instruction, including alteration works	25
b.	Reasons beyond the Contractor's control (e.g. misuse, vandalism, fire, etc.)	50
c.	Breakdowns, repair, lack of spare parts, which arisen from normal wear and tear	100 (minimum one month)

The actual deduction will be directly proportional to the number of days after the two (2) calendar day period. The Contractor will be required to settle the actual period of shutdown with the Client on individual cases and deduct the appropriate amount from the frequent bills accordingly before submission. The payment for an incomplete month will be calculated similar to the formula given in Clause C1.4.1.2 above.

The Contractor shall, during such out of normal service period, carry out minimum maintenance work to keep the entire lift and escalator in such a condition that it could be put back into ETC. Normal operation at a later date. However, should the Contractor be unable to carry out part or whole of the required minimum maintenance work under the circumstances in 1) & 2) mentioned above and with reasons beyond their control, he shall be entitled to claim for a re-conditioning cost which shall be agreed upon by both parties on a job-by-job basis. The re-conditioning work shall include all labor, material, spare parts and test necessary for safe resumption of services.

In addition to the criteria on deduction of normal routine maintenance fee set above, for any breakdown of any lift over the following frequency, deduction in the normal routine maintenance fee will be applied in accordance with the following details:-

C1.4.1.4 Payment for Works Covered by Approved Purchase Orders

- a) For Works ordered under cover by a Works Order, the Contractor shall submit payment claim with two (2) copies of invoice, similar to that for routine maintenance, and shall attach copies of original supplier's invoice where appropriate. The Client may require the Contractor to submit measurements of quantities for materials/equipment used, etc. for checking and verification of the claimed payment. The invoices shall clearly indicate the Purchase Order number.
- b) Additional works must be separately invoiced and these must be submitted monthly. Where such works are covered by the Schedules of Rates the schedules must be strictly adhered to in preparing the invoice.

Part C1.4: Agreement with regards to performance, hours of work and termination**C1.4.1.5 Payments Withheld**

- a) Failure by Contractor to provide services or comply with any provision of this Contract shall entitle the Client (in addition to any other remedies Client may have) to withhold payments due to Contractor as may be deemed in the Client sole and absolute discretion to be reasonably necessary.

C1.4.2 TERMINATION OF AGREEMENT

- a) Either party may terminate this Agreement at the end of the initial one (1) year term or subsequent term by giving the other party not less than sixty (60) days written notice.
- b) The Client may also terminate this Agreement at any time upon thirty (30) days written notice to the Contractor due to the following reasons:
- Unacceptable performance by the Contractor, which shall be determined in Client's sole and absolute discretion,
 - Contractor's failure to comply with all of its duties and obligations under this Contract,
 - Sale of building,
 - Permanent removal of equipment from service.

Ref	Frequency of Breakdown	% Deduction of Quarterly Maintenance Fee
a.	Breakdown, due to system fault(s), of the same lift over <u>2</u> times monthly	50
b.	Breakdown, due to system fault(s), of the same lift over <u>4</u> times monthly	100

C1.4.3 FAILURE TO PERFORM

- b. Contractor shall fully guarantee all work performed during the Term of the Contract and for a period of ninety (90) days after the termination date. Should the Client determine during the Term or within thirty (30) days after termination that any required work has not been fully performed, has been performed improperly or not performed at all, the Contractor shall, after written notification by the Client, correct said deficiency within ten (10) days. Failure to correct will be construed as a default under the Contract and the Client has the right to secure others to perform the services and deduct the costs of these services from the contractual amount due to the Contractor under this Agreement.
- c. The Client reserves the right to engage an independent party to perform an evaluation to determine responsibility pursuant to this paragraph.

C1.4.4 HOURS OF WORK

All normal work under this Agreement will be performed during regular hours of regular working days of the elevator trade: Monday through Friday 8:00 a.m. to 5:00 p.m. ("Regular Hours"). Contractor agrees to designate an elevator mechanic to perform on-site preventive maintenance

Part C1.4: Agreement with regards to performance, hours of work and termination

procedures for elevators exclusive of emergency callback service, emergency repairs, scheduled repairs or safety tests which should be assigned to separate repair personnel.

If work is required outside of Regular Hours, Client will pay only the difference between normal and overtime labor at the Contractor's billing rate, as specified in the pricing schedule of this Agreement, except as otherwise provided.

PART C2: PRICING DATA

PART C2.1: PRICING INSTRUCTIONS

C2.1 Pricing Instructions

- C2.1.1.1 Descriptions in the Schedule/Bill of Quantities are abbreviated and comply generally with those in the Standardised Specifications. Standardised Specification, read together with the relevant clauses of the Scope of Work, set out what ancillary or associated activities are included in the rates for the operations specified. Should any requirements of the measurement and payment clause of the applicable Standardised Specification, or the Scope of Work, conflict with the terms of the Schedule/Bill, the requirements of the Standardised or Scope of Work, as applicable, shall prevail.
- C2.1.1.2 The clauses in a specification in which further information regarding the schedule/bill item can be obtained appear under “Reference clause” in the Schedule. The reference clauses indicated are not necessarily the only sources of information in respect of schedule items. Further information and set specifications may be found elsewhere in the contract documents.
- C2.1.1.3 Unless otherwise stated, items are measured nett in accordance with the drawings, and no allowance is made for waste. The Schedule has to be completed in black non-erasable ink and the tenderer is referred to the Tender Specifications in regard to the correction of errors.
- C2.1.1.4 The quantities set out in the Schedule/Bill of Quantities are the estimated quantities of the Contract Works, but the Contractor will be required to undertake whatever quantities may be directed by the Engineer from time to time. The Contract Price for the completed contract shall be computed from the actual quantities of work done, valued at the relevant unit rates and prices.
- C2.1.1.5 The prices and rates to be inserted in the Schedule/Bill of Quantities are to be the full inclusive prices for the work described under the several items. Such prices and rates shall cover all costs and expenses that may be required in and for the execution of the work described, and shall cover the cost of all general risks, liabilities, and obligations set forth or implied in the documents on which the tender is based, as well as overhead charges and profit. Reasonable prices shall be inserted as these will be used as a basis for assessment of payment for additional work that may have to be carried out.
- C2.1.1.6 A price or rate is to be entered against each item in the Schedule/Bill of Quantities, whether the quantities are stated or not. An item against which no price is entered will be considered to be covered by the other prices or rates in the Schedule.

Part C2.1: Pricing Instructions

- C2.1.1.7 Except where rates only are required, the Tenderer shall insert all amounts to be included in his total tendered price in the “Amount” column and show the corresponding total tendered price.
- C2.1.1.8 All prices or rates inserted in the Bill of Quantities shall be EXCLUDING VAT. Provision has been made on the Summary Page, of the Bill of Quantities, for the addition of VAT.
- C2.1.1.9 Arithmetical errors of responsive tenders will be corrected in the following manner:
- Where there is a discrepancy between an amount shown in figures, and the corresponding amount stated in words, the amount stated in words shall take preference.
 - In the Bill of Quantities, if there is an error in the line item total resulting from the product of the quantity and the unit rate, the line item total shall govern, and the rate shall be corrected. Where there is a misplacement of the decimal point in the unit rate, the line item total shall govern and the unit rate will be corrected.
 - Where there is an error in the total of the prices either as a result of other corrections required by this checking process or in the tenderer’s addition of prices, the total of the prices shall govern and the tenderer will be asked to revise selected item prices (and their rates in the Bill of Quantities) to achieve the tendered total of the prices.

Should a tenderer be unwilling to make the corrections ordered by the Engineer, the tender may be disqualified.

- C2.1.1.10 The units of measurement described in the Schedule/Bill of Quantities are metric units. Abbreviations used in the Schedule/Bill of Quantities are as follows :

mm	=	millimetre	h	=	hour
m	=	metre	kg	=	kilogram
km	=	kilometre	t	=	ton (1 000 kg)
m ²	=	square metre	No.	=	number
m ² .pass	=	square metre-pass	sum	=	lump sum
ha	=	hectare	MN	=	MegaNewton
m ³	=	cubic metre	MN.m	=	MegaNewton metre
m ³ .km	=	cubic metre-kilometre	P C sum	=	PrimeCost sum
ℓ	=	litre	Prov sum	=	Provisional sum
kℓ	=	kilolitre	%	=	per cent
MPa	=	MegaPascal	kW	=	kilowatt

- C2.1.1.11 The quantities set out in the Price Schedule are the estimated quantities of the Works, but the Contractor will be required to undertake whatever quantities as may

be directed by the Engineer from time to time. The Contract Price for the completed contract shall be computed from the actual quantities of work done, valued at the relevant unit rates and prices.

- C2.1.1.12 A price or rate is to be entered against each item in the Price Schedule, whether the quantities are stated or not. An item against which no price is entered or where a word or phrase such as “included” or “provided elsewhere” will be accepted as a rate of nil (R0,00) having been entered against such items and covered by the other prices or rates in the Schedule.

Any work executed to which such a pay item applies, shall be measured under the appropriate items in the Price Schedule and valued at a rate of nil (R0,00). The rate of nil shall be valid irrespective of any change in the quantities during the execution of the Contract.

2 Correction of Entries made by the Tenderer

Any entry made by the Tenderer in the Price Schedule, forms, etc, which the tenderer desires to change, shall not be erased or painted out. A line shall be drawn through the incorrect entry and the correct entry shall be written above in black ink and the full signature of the Tenderer shall be placed next to the correction.

PART C3: SCOPE OF WORKS

C3.1 EXTENT OF WORKS

The main objective of the project is to provide uninterrupted universal vertical transportation for easy accessibility of ConHill site by all people including those with disabilities and conforming to the compliance requirements as a public building/site. The appointed contractor shall attend to fault call, inspect, service, repair, maintain, modify, supply, install, test and commission the installed accessible lifts (chairlifts and platform lifts) to meet the functional requirements of various areas of the precinct.

C3.1.1 General Requirements

The Contractor shall provide the all-in comprehensive maintenance service and maintain efficient and prompt responses to breakdowns; emergency call-outs or complaints for the timely attendance of installation/equipment failure and/or unsatisfactory services.

The Contractor shall properly, effectively and efficiently operate and maintain all the lifts contained in the Contract for their reliable, satisfactory and safe operation.

In addition, the Contractor shall, as and when instructed by the Client, repair or replace at his own cost any part/component/equipment of a lift, which is proved to be defective by reason of the Contractor's negligence, inadequate servicing and maintenance, poor performance and workmanship, use of incorrect materials or materials of inferior quality. Claim in any form/ whatsoever made by the Contractor for such repair work or replacement of parts / component equipment will not be accepted by the Client.

At the Client's discretion, Client's representatives or other designated personnel will carry out inspection on any lift or escalator at any time, in particular after major alteration / major component replacement or periodic testing and examination or upon receipt of complaint. The Contractor shall dispatch adequate and sufficient technical staff on site for the smooth progress of inspection upon request.

C3.1.2 On-call Maintenance and Emergency Repair Services

C3.1.2.1 Contractor's Emergency Call Centre

The Contractor shall operate a Contractor's Emergency Call Centre (CECC). The CECC shall be equipped with adequate tele-communications equipment, manned by sufficient number of technical and administrative staff as agreed by the Client to meet the following performance requirements: -

- a) To confirm within 15 minutes the appointment date and time for execution of fault/emergency call requests received from the Client or his representatives.
- b) To monitor the progress of the fault/emergency call attendance and to report to the Client or his representatives on any unattended appointment (including missed appointment and inaccessibility to the premises) and the subsequent remedial measure no later than 30 minutes of the originally scheduled appointment time.
- c) To report the completion of fault/emergency call attendance within one (1) day.
- d) To feedback and resolve on any complaint received on the fault/emergency call within 30 minutes of notification from the Client or his representatives.

- e) The Contractor shall also supply and install permanent labels made of plastic material or stainless steel indicating the Contractor's name and emergency telephone numbers for each lift or a group of lift in the main landing within one month after commencement of contract or immediately upon any changes.

C3.1.2.2 Fault Call Service

- a) A 24-hour, 7 day per week, 365 (366 when leap years occur) days per year call-out and repair service is to be in force throughout the duration of the Contract.
- b) All calls to the Contractor's emergency services are to be responded to promptly and the Contractor is to be on site and report to the Client's Representative following the fault call procedures.
- c) An emergency service is to be manned and available 24 hours a day, 7 days a week, 365 days per year (366 when a leap year occurs) throughout the year including Sundays and Public Holidays.
- d) Response Time – the Contractor shall respond to the Company's call for service and will be expected to arrive on site within reasonable time I.e.
 - within 30 minutes in case of lift trap; and
 - within 60 minutes in case of non-lift trap.
- e) After receiving instructions from the Client or his representative, either verbal or written, all faulty systems should be restored to its normal condition within one (1) day or as the date agreed by the Client.
- f) Should the Contractor fail to respond promptly within the specified period, the Contractor shall immediately contact the Client or his representative and provide sufficient justification for his incapability to comply within the required response period.
- g) For any serious lift incident including the death or injury of a person, the Contractor shall immediately contact the Client or his representative.
- h) If the lift is beyond emergency repair, the contractor is required to make safe the lift and install a suitable notice indicating "Out of Service" at a prominent position and inform the Client and any other party as directed by the Client.
- i) If the Contractor could not complete the rectification works within the specified period, the Contractor shall submit a written report, explaining for the non-compliance, to the Client within one calendar day after such non-compliance is found.

C3.1.2.3 Emergency Service Team(s)

The Contractor shall maintain Emergency Service Team(s) consisting of technically qualified, skilled and experienced technicians for prompt attendance of fault calls and to provide the On-call Maintenance and Emergency Repair Services (hereafter referred to as emergency services) at any time specified in Clause C3.1.2(c).

Should any passenger be injured as reported, the-service providers lift engineer shall arrive at the site of the incident to conduct a detailed investigation of the incident and thoroughly examine the lift.

The emergency services shall include overtime works, all mechanical, electrical, and electronic works, and inspection, testing, adjustment, commissioning and cleaning which are found necessary to reinstate the safe and satisfactory working condition and operation order of the lift as soon as possible and within 24 hours. The Contractor shall be required to substantiate the time required for repairing work should it be considered by the Client to be unreasonably long.

During repair, and before resumption of services, notices indicating “Out of Service” shall be displayed prominently at all landings including that at the main entrance for the defective lift. For outdoor equipment which are out of service but without any site work being carried out, the display of “Out of Service” shall be replaced by a notice posted at a convenient location adjacent to the upper and lower landings indicating apology from the Contractor and with the anticipated date of resuming escalator service indicated, while the use of the escalators as an alternative stair by the public shall be maintained as long as it is safe and practicable.

C3.1.2.4 Schedule of Rates

The Schedule of Rates shall be fully inclusive to cover costs for providing on-call and emergency service consisting of transport, labor and materials, including cleaning materials, tools, inspection, measuring and testing equipment, and equipment, parts and/or components for the replacement of aged, deteriorated and/or defective items as and when necessary, during the emergency services and they will not be separately billed or paid.

C3.1.2.5 Reports

The Contractor shall submit to the Client, a detailed inspection, service and repair report within 48 hours of receipt of each fault call. The report shall at least include the following information:-

- a) Date/time of receipt of fault call.
- b) Date/time of arrival of Emergency Service Team to the site of incident.
- c) Date/time of reinstatement of safe and satisfactory working condition and operation order of the Lift/escalator.
- d) Causes of fault/alarm.
- e) List/details of emergency service being carried out including repairs and/or replacement works.
- f) Follow-up action if required, due to off-site repair works.
- g) Tentative time schedules for completion of off-site repair works and all other necessary works.
- h) Photo records
- i) Description of the fault.
- j) Fault symptoms
- k) Remedial action taken

Part C3: Scope of works

- l) Preventive measure
- m) Location

For all major incidents that the Client or his representatives consider necessary, the Contractor shall be required to submit major incident reports of details equivalent to a fault call report within 48 hours.

C3.1.2.6 Monitoring the performance

For monitoring the performance on attending fault calls, the Contractor shall submit to the Client a monthly report by electronic means together with a signed hard copy as shown on the Appendix 2 hereof on fault calls in the first week of each following month. The computer format of the monthly report shall be submitted to the Client for approval and monthly report shall include the following information: -

- a) No. of fault calls received for each lift of each location.
- b) No. of fault calls in (a) attended within 30 minutes as specified in Clause C3.1.2.2(d) of the Particular Specification.
- c) No. of fault calls in (a) attended within one hour as specified in Clause C3.1.2.2 (d) of the Particular Specification.
- d) No. of fault in (a) rectified within 24 hours as specified in Clause C3.1.2.2 (f) of the Particular Specification.
- e) No. of faults in (a) rectified within 1, 3, 7, 14 or over 14 working days.
- f) Number of breakdown and downtime in the month.
- g) Number of fault calls that the Contractor fails to respond on time.
- h) Mean time to respond to a call.
- i) Other details as and when required by the Client or his representatives.

C3.1.3 Performance Target on Maintenance Services

The Contractor shall submit report of the following service performance and corresponding Performance Indicator (PI) reports with detail calculation to the Client in the first week of the following month.

- a) Service Availability: -
 - i. Total number of hours of system breakdown, including individual component breakdown, due to all reasons other than scheduled maintenance works;
 - ii. Number of maintenance service breakdown;
 - iii. Time duration of system interruption for planned maintenance; and
 - iv. Reasons causing system breakdown.

Part C3: Scope of works

The performance target shall monitor the availability of lift service to the critical premises. The “Service Availability” shall be evaluated as follows:-

$$1 - \frac{\text{Total downtime of lift(s) in minutes}}{\text{Total operating time (minutes)}} \times 100\%$$

Where:

- *Total downtime – Total down times (min.) i.e, Total loss of operating hours of each lift counted for all lift failure, “System Withheld”, from all lifts on the premise during the concerned period*
- *Total operating time – Total operating time (minutes) counted for the sum of total normal operation of all lifts on the premise during the concerned period, in one-month time.*

b) Response Time to Fault Calls: -

- i. Service response time duration (in minutes) from the fault call received (Client or his representative whichever is earlier) to arrival on site of incident;
- ii. Total number of system fault for each call;

c) Fault Call Rectification

- i. Fault rectification time on each system fault;
- ii. Total time taken for the repair right from fault call received until fault rectified for each system breakdown (urgent or non-urgent fault repair);
- iii. Details of contingent measures taken, or alternatives made, if applicable.

The Quarterly system “Service Availability” shall be maintained and should not be lower than 99%.

The Contractor shall deliver full maintenance and repair services in accordance with the performance targets of lifts as specified in **Annexure 1** to this Particular Specification.

C3.1.4 Regular Inspection and Servicing

All planned maintenance works should be well planned, coordinated, equipped with sufficient staff and organized to the satisfaction of the Client and his representatives. Costs for all works required are deemed included in the itemized rates in the **Pricing Schedule**.

C3.1.4.1 Scope of Inspection and Servicing

The Contractor shall dispatch competent and specially trained technicians to each lift regularly according to the Maintenance Schedules specified in **Annexure 2** in terms of frequency and scope of work, to keep the lifts in a clean, smooth, quiet and safe operating condition.

C3.1.4.2 Quarterly Service Report

The Contractor shall submit to the Client a Quarterly Service Report on the routine maintenance services delivered to each lift in the calendar month executed in. Each Quarterly Service Report shall:

- a) be submitted within one (1) week after the date of the last inspection to which the report relates;
- b) be a typed report duly signed by a Registered Lift Engineer;
- c) state the condition of the major safety components as detailed in the inspection sheet and detail any unsatisfactory items or any wrong method of operation by the users, or any improvement work which may be considered necessary;
- d) state clearly dates of replacement for major parts such as motor, driving chain, handrail, etc. in the reporting quarter;
- e) indicate the date of last safety test and date of last full load safety test for lifts; and certify that the lift is or is not in a satisfactory and serviceable condition.

The Contractor shall issue an interim report should any routine inspection reveal any items of unsatisfactory nature not included in the last preceding quarterly inspection report. Such interim report shall be submitted within seven (7) working days of such inspection.

C3.1.5 Planned Examination Testing and Maintenance

C3.1.5.1 General

The Contractor shall carry out periodic inspections, testing and maintenance for every lift and escalator in accordance with those stipulated in the provisions of the latest edition, at the time of implementation of the Contract, of the following pieces of legislation: -

- a) Requirements of the SABS1545-1; SABS1545-2; SABS1545-5; SABS1545-10; SABS1543; "Specifications for Lifts, Escalators and Passenger Conveyors" Lifts and Escalators Ordinance, Cap. 618;
- b) Any other regulation or by-law of any local or other duly constituted authority, which may be applicable to such tests

C3.1.5.2 Report on Equipment beyond Economic Repair

For any lift considered beyond economic repair by the Contractor, the Contractor shall submit a report certifying that the equipment is in fact beyond economic repair. Such report shall include a full description of the extent of the damage, cost for repair and the estimated remaining life should repair be implemented. Upon the instruction of the Client or his representative, the Contractor shall also examine any lift to identify whether it is beyond economic repair and shall submit a report including a statement on whether the examined lift is beyond economic repair together with the above-mentioned description.

C3.1.6 Alterations, Addition and Improvement Works

C3.1.6.1 General

During the Contract Period, the Contractor may be required to carry out some of the alterations, additions and/or improvement works for a lift to suit the updated/revised operational requirements.

The Client will inform the Contractor of the extent of the alterations, additions and/or improvement work for the lift and the Contractor shall prepare a quotation accordingly. The quotation shall be submitted for the Client's assessment within the time frame as instructed, complete with a detailed itemized breakdown for works and technical information for materials/parts/components offered, fully priced and with sufficient and satisfactory documentary evidence in support of the quotation.

Equipment Register and Description

Commencing on the **XXXX 2025** the following lifts will be handed over to the successful bidder, and will be for a total of 24 months:

The Client reserves the right to reject the Contractor's offer if considered unreasonable due to high "star rates" for non-scheduled items and/or inferior quality of materials/parts/component offered, and to put the said Works out for tender and employ another registered lift contractor to undertake the Works, even though such works will be connected to the system under the maintenance of the Contractor. When such Works are completed to the satisfaction of the Client, the Contractor shall be obliged to take the Works into maintenance along with the original system. A site instruction will be issued by the Client for this purpose.

C3.1.6.2 Resumption Permit

The Contractor shall arrange examination of the lift or escalator by a registered lift engineer after the completion of a major alteration so as to confirm that part affected by the major alteration is in safe working order. The Contractor shall apply and obtain the Resumption Permit for the lift from the Department of Labor, and make copies to the Client, and any other party as directed by the Client or his representatives for record. The lift must not continue to be used and operated unless a resumption permit has been obtained. The Contractor shall provide every means such as isolating the power supply and provide suspension notice at the main landing to prevent inadvertent opening of lift or escalator by other persons.

C3.1.6.3 Nature of Works

For all Alteration, Additions and Improvement Works, a site instruction will be issued by the Client for this purpose. The Contractor shall include all costs for labor and materials to supply and install, test and commission the part of system that has been altered or added by him as well as maintaining the completed work half year at no extra cost, or until 6 months after the expiry of Contract Period, whichever period is shorter. The Contractor shall be required to carry out all necessary works in the Defect Liability Period as required.

Upon completion of the Works, the Contractor shall submit a maintenance plan for the above Works to the Client or his representative for approval and shall provide two copies of equipment operation and maintenance manual(s) together with relevant drawing(s) where applicable to the Client for record purpose.

Where the extent of Alteration, Addition or Improvement Works is such that it affects the original classification of the lift, the Contractor shall initiate such actions and submit the relevant forms to the Department of Labor. The costs on the preparation of submission will be deemed to be included in the quotation approved by the Client as a result of the site instruction issued.

ANNEXURE 1 – PERFORMANCE TARGETS OF LIFTS

Ref	Service Items	Performance Targets
1.	Service Availability of the Lifts	≥99%
2.	Response Time to Fault Call a. cases with trapped passengers b. stoppages without trapped passenger	<30 minutes ³ < 1 hour
3.	Fault Rectification a. urgent fault ⁴ b. non-urgent fault	<24 hours <3 days
4.	Fault Reporting a. routine inspections, calls logged, repairs b. major incidents	≤24 hours ≤48 hours
5.	Operational and Governance Reporting c. quarterly reports	≤2 days after quarter-end

³ For the performance targets on response time to fault call, the compliance level is 95% for all cases.

⁴ Urgent fault calls refers to system or equipment failure bearing safety implication or seriously affecting the operation of the whole venue or substantial part of the venue. Faults other than urgent ones are treated as non-urgent.

 - SANS 1545-9 - Part 9 lift landing doors- fire resistance testing
 - SANS 4344- steel wire ropes for lifts – minimum requirements
 - SANS 50081-70 Safety rules for the construction and installation of lifts

Equipment and materials used shall be new and manufactured in accordance with EN-81 standards and approved by the local authorities having the appropriate jurisdiction. All equipment shall be provided by the same manufacturer.

The Contractor shall also provide competent attendant(s) to monitor any works in relation to the lift maintenance. The Contractor shall provide sufficient qualified technical staff, field staff and safety

personnel to ensure the Works under this contract are satisfactorily carried out safely and meet the performance targets and programmes. (e.g. cleaning of lift pits, electrical system maintenance, etc.) arranged by the Client at no extra charge.

C3.2.2 Site Visits before Submitting Tender

Tenderers shall inspect the site to verify and confirm all site information on existing equipment details, dimensions, sizes, door openings etc. Tenderers shall make themselves thoroughly acquainted with the site conditions under which the work is to be carried out. Failure to visit site(s) prior to tendering will not be entertained as an excuse for deviations once the tender is submitted. The technical details given in the Equipment Description item is for indication of the approximate information only and the tenderer shall have no claim against the Employer should the actual detail vary considerably from the list.

C3.2.3 Taking over of Existing Lifts

With effect from the commencement date of the Contract, the Contractor shall take over this responsibility and shall carry out the Works for those existing lifts in accordance with the requirements of their Particular Specification and as per the Annexure B findings by an independent inspection authority.

Upon taking over the maintenance of the lifts, the Contractor shall conduct a thorough inspection of each lift and submit a comprehensive report, approved by an independent inspector for every lift to the clients Representatives within two (2) weeks from the date of commencement of Contract. The Contractor shall check the running conditions of the lifts and shall immediately inform the client of any defect found. Apart from the above defective components or equipment claimed by the Contractor, it is deemed that all lifts available to him are in good working order and the Contractor shall be required to accept full responsibility of maintaining the lifts.

Unless the lift concerned is to undergo modification or repair work, the submission of the examination report should not be delayed for more than a month from the date of taking over of maintenance. In quoting the price in the **Form of Tender**, it is deemed that the Contractor has included adequate contingencies to offset any work he may find necessary to meet his own ongoing maintenance requirements.

C3.2.4 Handover of Lifts prior to Termination or Expiry of Contract

One month prior to the termination or expiry of the Contract, the Contractor shall arrange a scheduled handover to the client for all lifts of the Contract. The Contractor shall carry out a thorough inspection on each lift within one month prior to the termination or expiry of the Contract and submit a test/inspection report issued by an approved inspection authority for every lift to the Clients Representatives (not less than two weeks prior to the termination or expiry date of the Contract). The Contractor shall ensure that the lifts are in good working order, safe and satisfactory operation condition at the time of handover. The successive maintenance contractor shall be invited by the Clients Representative to attend the joint site handover inspection.

During the handover inspection, any defect and/or damage found in any of the lifts caused by the negligence of the Contractor as defined by the terms and conditions of the Contract, shall be duly and timely rectified/repared at the Contractor's own expense and to the satisfaction of the Client before arranging for another inspection of the lift.

The Contractor's obligation under the Contract shall not be released until all lifts of the Contract are successfully handed over to the Client. All incurred expenses including the cost of works to be carried out by others due to the unnecessary delay in handover of lifts to the Client upon the termination or expiry of the Contract shall be fully reimbursed accordingly by the Contractor.

C3.2.5 Replacement and Use of Alternative Make

In the execution of servicing and maintenance, repair and operation work on site, apart from transport, necessary labor, tools, equipment, testing instruments, the Contractor shall also be responsible for ensuring faults are attended to in time in accordance with the agreed SLA terms and conditions. All labor costs and costs for repair or replacement of parts whenever required shall be included under this Contract.

- a) All the parts shall be provided to site within 24 hours for replacement/rectification works excluding lift motors.
- b) A permanent replacement of the genuine equipment, parts and/or components with alternative products shall **not** be implemented without good reasons, subject to the manufacturer's warranty that the safe and satisfactory working condition and operation order of the installation will not be affected due to the use of an alternative make. The approval of the Client shall be obtained prior to the replacement.
- c) Subject to the Client's approval on each case, alternative and compatible equipment, parts and/or components are allowed to be used as contingent measure to temporarily re-instate the function and operation of the lift during on-call maintenance and emergency repair services, and subject to the Contractor's undertaking for their subsequent replacement by genuine products as quoted in the manufacturer's spare part list on or before a specified date to be agreed by the Client. Unless otherwise specified in the Particular Specification, the temporary and subsequent replacement works including provision of equipment, parts, components, all necessary tools and materials shall be provided under the Contract at no extra cost.
- d) Any replacement of equipment, parts and/or components due to non-availability of spare parts and/or obsolescence shall be substantiated by the manufacturer of the product.
- e) Expected risks shall be limited to damage caused to the lift by flooding, fire, etc., beyond the control of the Contractor and as agreed by the Client.

C3.2.6 Logbook

The logbook shall be provided by the Contractor and kept at management offices of management agent or Client's representative, or appropriate places on site as agreed by the Client. Every attendance and detail of work done to each lift shall be entered into the logbook by the Contractor so as to form a maintenance record, and/or to certify the Contractor's attendance visits as required by this Contract. The logbook entries will be taken as record for the services provided by the Contractor in accordance with the requirements stipulated in the requirements of the SABS1545-1; SABS1545-2; SABS1545-5; SABS1545-10; SABS1543; "Specifications for Lifts, Escalators and Passenger Conveyors" and shall comply with the Occupational Health and Safety Act 85 of 1993 and current regulations of all other codes applicable to this work.

The Client's Representative will check the entries randomly to ascertain the work described in the

Part C3: Scope of works

Contract properly executed. If the lift is found not attended for a period of time, the monthly payment will be adjusted according to the formula given in Clause C1.4.1.2 of this Particular Specification.

In addition to record in the logbook, the Contractor shall also inform the Client's Representative in writing of any anomaly found during the routine inspection which may not cause present danger to the passenger, but caution is to be taken.

If the logbook is damaged, lost or fully complete, the Contractor shall inform the Client's Representative immediately for its replacement. The replacement of logbooks and their return to the Client's representative or other party as designated by the Client is the responsibility of the Contractor under the Contract.

C3.2.7 Shut down of Lifts

Shut down of lift and escalator system at the premises or site concerned during execution of works shall be kept to minimum. The Contractor shall dispatch sufficient technical staff to execute diligently the works within a reasonable period of time or as directed by the Client.

If shutdown is deemed necessary and is not caused by any incident which required to be reported to Facilities Manager, the following guidelines must be observed:

- a) Shut down of any lift must be strictly on need basis and resumed as soon as possible.
- b) Avoid shutting down all lifts or escalators within a building at the same time.

If the lift or escalator cannot be resumed before the end of the 4-hour period after the Contractor becomes aware of the serious incident, the Contractor shall display a notice in a conspicuous part of the lift.

The Contractor shall be responsible for giving well in advance verbal and written notice to the client or his representative on any shut down indicating the scheduled shut down period and the resumption of the system. If extension of shut down period is required for the system, the Contractor shall report the case to the client and the venue-in-charge immediately. Any shut down case and details of shut down shall be recorded in the maintenance logbook kept at site.

The Contractor shall provide and fix at all landings with appropriate notice and guard railing during each shut down incident. The temporary guard railing and notice should be taken away immediately when the system is resumed to normal or upon instructed. The cost of these provisions, including all necessary items under the clients instructions, testing procedure, and essential examination activities specified under the Works Code shall be deemed to be included in the Schedule of Rates and they will not be separately paid.

C3.2.8 Access Control

The Contractor shall ensure that the lifts included in this Contract are properly and adequately executed in good working order, safe operation condition and for their efficient performance. Before leaving the site and on completion of execution of work each time, the Contractor shall report to the Facilities Management department for the signing off of each job card. In the event of an emergency, after-hours or weekend work, all job cards shall be signed off by the Security Control Room as would be directed to the Contractor during such incidences.

C3.2.9 Information to be submitted to the Client

In addition to the requirement of staff organization, Contractor's facilities, programs, plant logs and reports, etc. that stipulated in the specification, the Contractor shall obtain the approval from the client, and notify the client or his representative the method, sequence and program for execution of the works prior to the execution of the Works in all cases of maintenance, overhaul, repair, modification, addition and/or improvement work.

The Contractor shall, at all times, ensure no/minimal interference to client and other contractors on site during the whole course of execution of the works. Failure in compliance with this requirement, the Contractor shall indemnify the client against any claim arising from his fault.
